

Register your viewON

Having a registered copy of viewON will give you access to support. In case of problems or questions, you can contact your local distributor. The local distributor will relay your question to eWON support if required.

Also, registering will keep you informed about new available updates.

How to register:

1. Contact your local distributor to buy a viewON license.
2. By email you'll receive your license serial number.
3. With this license serial number, connect to following registration page:
<https://support.ewon.biz/viewON/>
4. Encode your company information, your email address and the serial number. Once finished click on submit button.
This will send you an email containing the license activation key.
