

Dear Partner,

Ewon appreciates your daily involvement and your long-term loyalty.

We would like to notify you about a temperature modification for the products mentioned below.

Key milestones	
September 10 th , 2021	<p>All Cosy and Flexy products datasheets (available on our website) will be adapted to reflect a change in temperature of the battery CR2032 present in Ewon products.</p> <p>This will be valid starting September 10th, 2021.</p> <p>The previous temperature range was as follows: Storage: -40°C to +70°C, 10 to 95% relative humidity (non-condensing).</p> <p>The lower limit will now be reduced to -30°C.</p>

Reason for change
Update technical information to comply with a change in temperature of the battery used in Ewon products.

Description of change
All datasheets will mention: Storage: -30°C to +70°C, 10 to 95% relative humidity (non-condensing).
