

Product Change Notification

Dear Partner,

Ewon appreciates your daily involvement and your long-term loyalty.

We understand that staying updated on the current and future happenings is of vital importance to our joint success. To this end, we would like to inform you of the changing life cycle and schedule for the following product(s).

| Product Part Number | Description | Replacement product Part Number |
|---------------------|--|--|
| FLB 3204 | 4G EU extension card for Flexy devices | FLB 320A available in July. Ready for orders from now on. |

| Key Milestones | |
|-------------------------|--|
| March 31st, 2022 | Limited availability of the FLB 3204 products. The 4G EU extension cards enter in "Limited phase" with a long term shortage risk. The FLB 3204 products listed above will be replaced by the FLB 320A products. |
| June 17th, 2022 | The above mentioned Ewon product will enter in "Exit phase". No Last Buy Order is planned due to components shortage. You can already order FLB 320A from now on. |

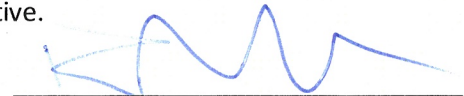

| Reason for Change |
|--|
| Telit modem components based on Intel chipset End-of-Life. |

Description of Change

FLB 3204 product enters End of Life process.
