

Product Change Notification

Dear Partner,

Ewon appreciates your daily involvement and your long-term loyalty.

We understand that staying updated on the current and future happenings is of vital importance to our joint success. To this end, we would like to inform you of the changing life cycle and schedule for the following product(s).

Product Part Number	Description	Replacement product Part Number
FLB 3205	4G NA extension card for Flexy devices	FLB 3208 Estimated availability December 2023

Key Milestones	
May 2023	We encounter some delays for the FLB 3208 as replacement product of the FLB 3205. Our Supply Department was able to buy some additional modems to cover the needs till December 2023. Supply will update accordingly the status into our system. FLB 3208 article will be blocked for order and FLB 3205 will be accessible again.
Early October 2023	New communication to update about timeline transition from FLB 3205 to FLB 3208. Communication of the date: -<> from when the FLB3205 can no longer be ordered -<>from when the FLB3208 can be ordered

Reason for Change
Telit modem components based on Intel chipset End-of-Life.

Description of Change

FLB 3205 product enters End of Life process.
