

Product Change Notification

Dear Partner,

Ewon appreciates your daily involvement and your long-term loyalty.

We understand that staying updated on the current and future happenings is of vital importance to our joint success. To this end, we would like to inform you of the changing life cycle and schedule for the following product(s).

Product Part Number	Description	Replacement product Part Number
FLB 3205	4G NA extension card for Flexy devices, certified AT&T	FLB 3208

Key Milestones

May 2023	We encounter some delays for the FLB 3208 as replacement product of the FLB 3205. Our Supply Department was able to buy some additional modems to cover the needs till December 2023. Supply will update accordingly the status into our system. FLB 3208 article will be blocked for order and FLB 3205 will be accessible again.
27 th October	FLB3205 enters Exit Phase
1st December 2023	Last Time Buy order for FLB 3205
15 th January 2024	Orders for the Replacement Product FLB3208 can be placed

Reason for Change

Telit modem components based on Intel chipset End-of-Life.

Description of Change

FLB 3205 product enters End of Life process.
